

THE BENEFITS OF ANTI-FATIGUE MATS

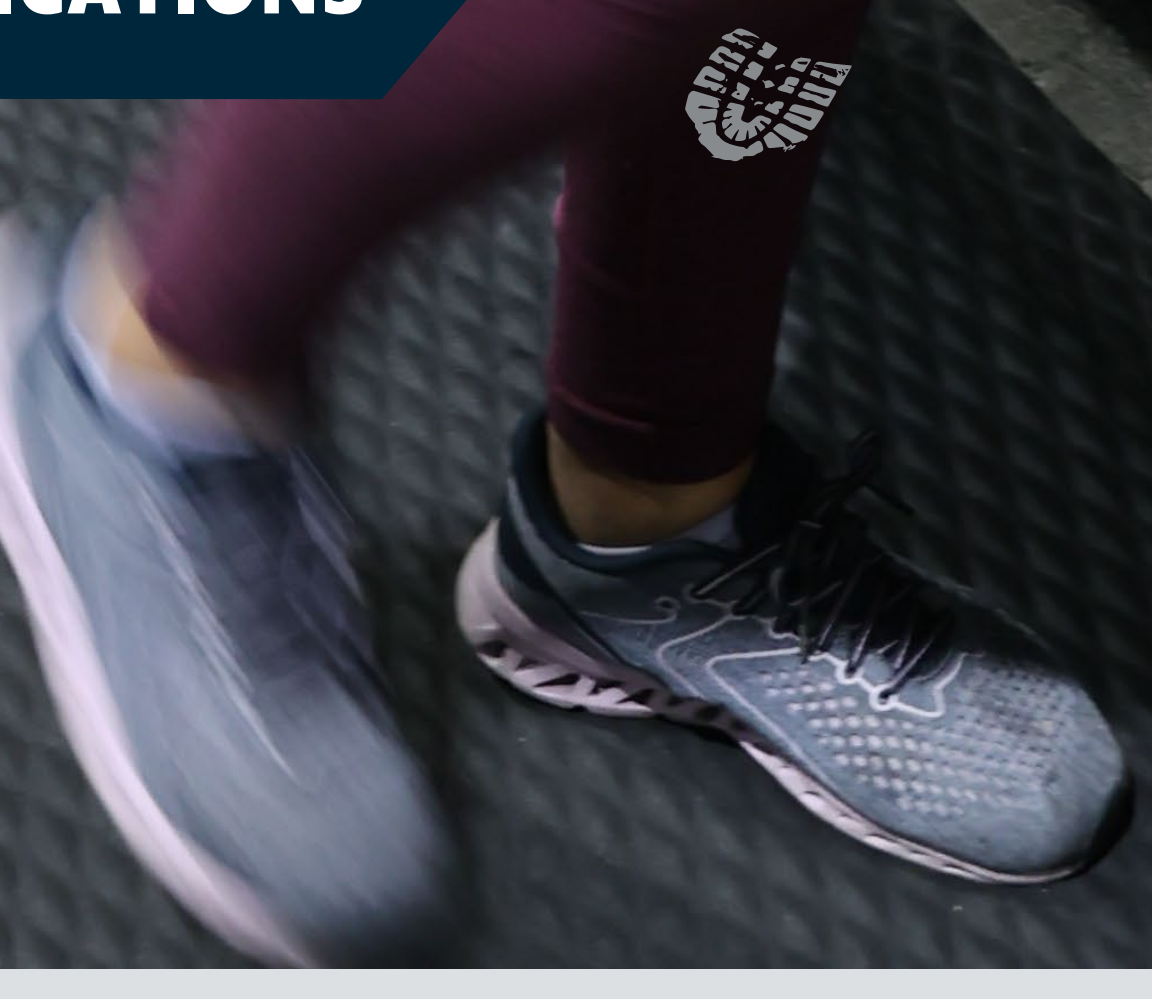

KEY BENEFITS

- ↓ LOWER ABSENTEEISM
- ✓ IMPROVE SAFETY
- 💡 REDUCE FATIGUE AND STRESS
- 🦵 INCREASE MOBILITY
- 🦶 IMPROVE COMFORT

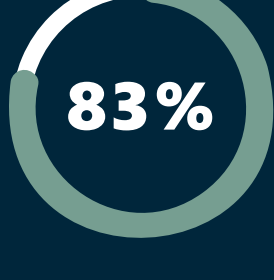

INDUSTRIES AND APPLICATIONS

- MANUFACTURING AND PRODUCTION LINES
- STAND-UP DESKS AND WORKSTATIONS
- CASHIER STATIONS
- COMMERCIAL KITCHENS
- LABORATORIES

THE FATIGUE PROBLEM

83% of industrial workers suffer foot and leg problems

Pain conditions cost \$61 billion annually in lost productivity

ANTI-FATIGUE MATTING CAN DELIVER

REDUCTION IN ABSENTEEISM

5% IMPROVEMENT IN STAFF WELL-BEING

2.2% INCREASE IN PRODUCTIVITY

SOURCES: MANUFACTURING TODAY | NCBI | OHSONLINE

THE POWER OF NITRILE RUBBER

NITRILE RUBBER-BACKED MATTING BOOSTS ANTI-FATIGUE SUCCESS:

- INCREASES DURABILITY
- RAISES SLIP-RESISTANCE
- RESISTS CHEMICALS AND GREASE
- ENHANCES FLEXIBILITY

MULTI-FUNCTION VALUE

HOG HEAVEN® ANTI-FATIGUE MATS BRING MULTI-FOLD BENEFITS

- Comfort**
High-density nitrile-blended cushion lowers back and leg pressure
- Safety**
Certified high-traction by NFSI; sloped edges for safe transition from floor to mat
- Durable**
Molded, 100% nitrile rubber surface prevents the mat edges from cracking or curling
- Versatile**
Chemical resistant, grease and oil proof; welding safe; electrically conductive
