Slip-Resistant • Anti-Fatigue

Short Description

This mat is a flow-through mat with anti-fatigue properties designed for wet areas where grease, oil, and chemicals may be present

This anti-fatigue mat is designed to withstand grease, oil, and chemicals and features an anti-microbial treatment to prevent odors

This mat provides slip-resistant floor protection in a variety of settings susceptible to slips, especially where grease, oil, and chemicals may be present.

This mat provides slip resistance and ergonomic benefits in wet areas
